

## 2013-2014 Student Application

The Modern's Teen/Artist Project pairs area high school students with artists as teachers and aims to expand students' art practices, introducing new concepts, artists, and media. Throughout the course of the program, students will work with five professional artists. Each visiting artist leads students through an investigation of modern and contemporary art in the galleries and related projects in the Museum studio. Participants will also visit museums and galleries throughout the Dallas/Fort Worth metroplex, introducing them to the area's art collections and resources. Fifteen students will be accepted to participate in the eight-month course based on their applications and accompanying materials. Class sessions meet at the Modern from 2 to 5 pm most Sundays, September through April, and the program is free of charge for those 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grade students accepted. Students are required to make a firm commitment to the program, attending class regularly and must be available for one weekend in May during the Annual Teen/Artist Project Exhibition. As a TAP participant, you will:

- Become familiar with the Modern as a resource
- Engage in dialogue about contemporary art
- Learn to talk about your own work
- Strengthen studio techniques by working with professional artists
- Participate in and support an art exhibition
- Explore area galleries, museums, and art spaces
